CONSULTING & PRODUCT EXPERIENCE

Project Consultant

May 2026 – Aug. 2026

Technical Safety BC - Strategic Advisory Engagement

Burnaby, BC

- Managed a **5-member** consulting team to construct an executive search visibility strategy, aligning internal enterprise discovery workflows with provincial regulatory compliance standards.
- Formulated comprehensive project charters, work breakdown structures (WBS), and deliverable roadmaps for **100%** on-time milestone adherence across a **13-week** engagement.
- Presented **3** strategic recommendations directly to executive evaluators, delivering an actionable transformation roadmap adopted by leadership for immediate organizational rollout post-engagement.

Product Management Extern

Nov. 2025 – Dec. 2025

Extern - BeReal Engagement

Remote

- Synthesized user research and competitive benchmarking, prioritizing **3 features** to boost projected DAU by **10%**.
- Iterated interactive prototypes through **5+ review cycles** with senior product leads to refine technical feasibility.
- Delivered KPI-driven final strategic recommendations, aligning product initiatives with executive growth targets.

TECHNICAL PROJECTS

Typy

Jan. 2026 – Apr. 2026

SFU Surge - StormForge Hackathon

Burnaby, BC

- Spearheaded competitive benchmarking across educational platforms to define the product vision, leading a cross-functional **team of 4** to deliver an MVP desktop application.
- Authored product requirements (PRDs) and prioritized Agile sprint backlogs across a **4-month** delivery cycle, translating insights from **8 user tests** into high-retention UX iterations.
- Engineered a real-time computer-vision posture diagnostic system using MediaPipe and OpenCV, training custom models over **50+** labeled visual datasets to boost posture feedback precision.

LEADERSHIP EXPERIENCE

Marketing Strategies Director

Aug. 2026 – Present

CaseIT - International MIS Case Competition

Burnaby, BC

- Directed multi-channel marketing campaigns and outreach initiatives to elevate global brand visibility across **16+** competing international university teams, corporate sponsors, and industry partners.
- Oversaw digital channel analytics, content calendars, and unified brand positioning across all collegiate touchpoints.

Cadet Company Sergeant Major

Summers 2022 – 2024

Government of Canada - Department of National Defence

Comox / Vernon, BC

- Earned **2 promotions** across 3 deployments to serve as CSM, directing **100+** staff and **1,000+** youth cadets.
- Progressed from frontline cadet instruction to cross-unit operational management, implementing daily stand-ups, cross-departmental planning, and performance review workflows to resolve inter-departmental logistical challenges.
